Learning Agreement «during the mobility»
LEARNING AGREEMENT

During the Mobility

- We recommend that you change your LA after the beginning of the semester and by 31st October. **However UNIPD does not set a specific deadline** (you should also check your Home University rules) so …

- … take your time in changing your LA and send it only once you are sure about the activities you wish to carry out

- If your Home University does not require a specific form, **download the Standard European form from our website**

Erasmus+, SEMP, SEN Coimbra, ARQUS, UK student:

OLA - ONLINE LEARNING AGREEMENT

(Erasmus+ KA131 students only)

• We cannot approve nor refuse your Online Learning Agreement by using an online platform (EWP = Erasmus Without Paper network)

• We can only sign the Learning Agreement in PDF version. You will have to upload the file in the Mobility Online portal after the beginning of classes.

• You receive an email from Erasmus.incoming@unipd.it saying from which moment you can upload the file

• You should be able to download the OLA from your Home University platform. If not, you find a template here: https://www.unipd.it/en/during-your-stay-erasmus-studies
We are testing the exchange OLAs through EWP with a sample of partner Institutions during the a.y. 2023/24.

If your University is part of this sample, we will approve your OLA also through EWP and sign it digitally.

If your University is not part of this sample, your LA will be approved in the "traditional way” ONLY (signature in the pdf) and you will receive it countersigned by Unipd via email and NOT in the online system of your University.
