COURSES

As a southern Europe academic system, we are **THEORY-ORIENTATED**. When you choose one course, you will stay 100% in the classroom. If you want to attend Practical training you have to select **TIROCINIO**, we will show you how in the next section “PRACTICAL TRAINING”. **THEORY IS STRICTLY SEPARATE FROM PRACTICAL TRAINING**

In order to join the class is necessary having your learning agreement approved and writing an email to the professor of the teaching you would like to attend at least 15 days before.

PLEASE NOTE that due to the Covid-19 emergency, lessons will be provided in **dual mode**:

1. **IN CLASSROOM TEACHING**: the access to classrooms will be monitored through both your Study Plan in Uniweb and the registration to each course unit in the «MOODLE» e-learning platform. If you intend to attend a course unit in presence, please constantly monitor your institutional email account («@studenti.unipd.it») to see if there is any communication regarding limitations to the students' attendance in the classroom (due to limited places available, shifts may be established). **If you don't feel well, PLEASE STAY AT HOME!**
2. **ONLINE TEACHING**: lessons will be provided via «MOODLE» e-learning platform or via «ZOOM» meeting.

You can find some other details about courses down below:

1. Lessons timetable, exams calendar, rooms occupation, study rooms, bookings and information about mobile app *OrariUniPD* are available at this link:
<http://agendastudentiunipd.easystaff.it/?view=home&include=homepage&lang=en>
2. **Moodle** it's an e-learning platform through which professors make available to students teaching material, publish information about the course and lessons, assign tasks, exercises, tests and more. **You must register in moodle in each course unit you are going to attend!**
3. The list of all e-learning platforms is available here: <https://www.unipd.it/en/elearning>
4. You can find all information about our **courses** and **content** here: <https://en.didattica.unipd.it/> selecting the academic year and your degree course of interest.
5. **Pay attention** about the [RESTRICTIONS](#) handbook.
6. As soon as you choose your courses into the learning agreement, please you have to fill **your STUDY PLAN on UNIWEB** system – [HOW TO FILL YOUR STUDY PLAN](#)

7. Medicine and Surgery Students (concerning Italian language course) are divided into five groups: MED1, MED2, MED3, MED4 and MED5. Each **MED** is **INDEPENDENT** so local students must attend courses and exams of their specific group... but **International students like YOU, CAN!** (For example, you may choose: NEUROLOGY of MED 1 and PEDIATRICS of MED 3). Please note that MED2 (ME2549 2020) takes place in **Treviso**, so we highly recommended to you to follow the other courses in Padova. For any further information: tutor.medicinachirurgia@unipd.it
8. **Elective courses**, here is the list of the **ELECTIVES 2021-20211** are courses that are activated with a minimum number of entries. Courses are usually schedule at the end of October and start in November and afterwards
9. The **Tutor service** is available on Skype from Mon to Thu from 2:30 to 5:30 pm and on Fri from 10:30 am to 1:30 pm **only by appointment** via e-mail at tutor.medicinachirurgia@unipd.it and via Facebook at <https://www.facebook.com/tutor.medicinachirurgia.unipd/> and Instagram at <https://www.instagram.com/tutormedicina.unipd/>
10. Here you can find our **Academic Calendar** (in Italian language for now): <https://www.unipd.it/en/key-academic-dates>
11. The deadline to make changes on your **learning agreement** is on **31st October 2020**. It is allow making **just one change**.
